

## FEATURES OF MAKING ADDITIONAL VOLUNTARY CONTRIBUTIONS

Are you enrolled under the New Pension Scheme?

If yes, here is good news for you.....

Do you know that in addition to your monthly contributions, you can make additional voluntary contributions to your retirement account to boost your existing investment?

Here are the Features of making Additional voluntary contributions:

- Tax relief on contributions
- Lower administration charges
- Opportunity to stop or vary the amount you pay
- Opportunity to access or withdraw contribution after 5 years without subjection to tax and without recourse to Pencom for approval.
- Attracts additional investment returns on employees' contributions
